A golf cart with an attendant may be rented to assist guests to the restrooms throughout the evening.

# Additional Venue Information...

---

**Artisan by Santa Barbara Catering** holds monthly wedding tastings to attend as part of your planning process.

**We allow acoustic music or DJs.** The DJs must be selected from our exclusive vendor list.

**A PA System with AUX** can be rented instead of a DJ.

**You are welcome to bring in other vendors** you are interested in! If you need suggestions, we have a recommended vendors list.

**We do not have a Wedding Coordinator on the property.** Your Venue Coordinator will be happy to assist with venue and catering-related items on the day of your event. It is important to assign helpers to take care of any day-of décor. While your Venue Coordinator is happy to jump in and assist (time-permitting) you will want to make sure you have dedicated people to handle this.

**Your team of helpers may arrive up to 2.5 hours** before the ceremony to decorate.

**Artificial flower petals and confetti are not allowed on property.** Candles can be used if they are in or on a vessel. Alternatives include bird seed and sparklers.

**The music and bar MUST end by 10:00pm.**

**A 50% deposit of the venue rental** is required to book a date (non-refundable).

**We can host two weddings at one time** at The Farm at South Mountain. Stone Grove and The Canopy have separate start times, parking, restrooms, and staff allowing for them to simultaneously occur without any issues!
